MN Statute 62J.812 Primary Care Price Transparency

(a) Each provider shall maintain a list of the services over \$25 that correspond with the provider's 25 most frequently billed charges.

(b) For each service listed the provider shall disclose the provider's charge, the average reimbursement rate received for the service from the provider's health plan payers in the commercial insurance market, and, if applicable, the Medicare allowable payment rate and the medical assistance fee-for-service payment rate.

(c) The information above can be found at redballoonurgentcare.com under Billing and Payments / Price Transparency, or you may ask for a copy at our front desk
